

## Travelling with Regional services

### Booking your seat

All seats on Regional train and coach services must be **prebooked** to ensure you can travel on your preferred date. There are three ways to confirm times and ticket pricing, book your seat and pay for your ticket:

1. Visit **nswtrainlink.info** and pay by Visa, MasterCard, American Express or Diners Club Card.
2. Call **13 22 32** between 6.30am and 10.00pm and either pay by Visa, MasterCard, American Express or Diners Club Card, or book your seat and arrange a time to pay for and collect your ticket in person – the booking will be cancelled if we don't receive payment.
3. Over the counter at your local NSW TrainLink Travel Centre, selected NSW TrainLink or Sydney Trains stations or an accredited travel agent.

Please note that NSW TrainLink offers free travel within NSW for Companion Card cardholders and holders of attendant travel passes from a range of eligible organisations. For more information call **13 22 32**.

### Credit card bookings and payments

Once you've paid for your ticket, you can choose to:

- have it emailed to you
- collect it on board
- receive it by post (allow 3 working days for processing and postage)
